OUR STORY

With a passion for hospitality, exploring new trends and tastes it was only natural to start our journey to create The Little Gin Palace.

Having spent time researching and sampling hundreds of distinctive brands, we created a bespoke menu to take your palette on a delectable drinking journey. Working with local suppliers enabling us to offer a variety of the highest quality spirits and quirky cocktails.

Our converted Rice Horse Box is over 70 years old and has been lovingly restored to provide a beautiful backdrop wherever we travel. We design our drinks menu, bespoke to your specific requirements. We can even create a cocktail to celebrate your debut as a married couple.
